

Our very own Josh Whiteman (Grandson of George and Maybelle Whiteman and son of Doug and Linda Whiteman) took second place in the U.S. Autotech National Championship and brought home a \$20,000 Prize.

Josh entered the competition approximately 6 months ago along with 100's and 100's of other automotive technicians nationwide. Last weekend he traveled to Nashville, Tennessee for the National Championship along with thirty-two finalists.

The competition consisted of three timed rounds of diagnostics and repairs all with varying degrees of difficulty.

Josh made it to the final five and completed with an amazing second place, \$20,000 finish!
